### **Who Are We?**

We are the Wisconsin Rapids Aqua Skiers Show Ski Team. Our organization has been providing free family entertainment in the Wood And Portage County area for more than 50 years. Our practices or shows are held at either our Biron or Lake Wazeecha Red Beach site throughout the summer.

Our mission is to provide a learning environment for show water skiing to individuals, young and old. We help develop teamwork and leadership skills through our weekly practices and shows, provide community support through fundraising events and community service activities. We are a family oriented organization and we offer something for everyone, even a non-skier.

Our members range in age from six to sixty. We are an active member of the Wisconsin Water Ski Federation and U.S.A. Water Ski. We strive to provide a safe and structured environment for our members. We promote safety with certified Water ski instructors, safety coordinators and nationally certified boat drivers at all practices and shows.

The Wisconsin Rapids Aqua Skiers are also host to the largest water ski tournament in the world. We host this free event at Lake Wazeecha every year in July. Clubs from all over Wisconsin and the region come to participate in this event and bring their families and friends. This event typically brings 20,000 to 30,000 people to our beautiful area over the one week, each year. The Aqua Skiers also hosted the 2016 World Water Ski Show Tournament at Lake Wazeecha. This event will featured teams from Australia, Canada, Belgium, China and the United States.

### **How would you benefit from sponsoring the Aqua Skiers?**

We are very active not only in the Wisconsin Rapids/Stevens Point area but also other regions of the state. We have the ability of promoting our sponsors to tens of thousands of people every season. The Aqua Skiers are a non-profit water ski organization and are **501C (3) tax exempt** and a registered charity in the state of Wisconsin. Your donation is tax deductible.

### **What will happen with the money donated?**

Because we are a non-profit organization, our club survives on the generous contributions from our sponsors and donations we receive during the year. The money we receive helps our

team to continue to provide opportunities for anyone wanting to learn how to ski and to provide weekly family entertainment for free. It also helps by making sure our ski equipment is kept in good condition and up to standards; that our boats are maintained and have gasoline; we have props/costumes for our show; emergency medical supplies and training that are up to date; and many other things. Your sponsorship will help offset the expenses and allow us to continue this amazing organization that brings quality family entertainment to the central Wisconsin area.

Thank you. We appreciate your support and look forward to working with you!
